MILITARY EDITION THE MONTANA KAIMIN

VOL. XXII

STATE UNIVERSITY OF MONTANA, FRIDAY, APRIL 27, 1923.

No. 60

R.O.T.C. WILL PARADE FOR GOVERNOR DIXON

Vocational Men Organize Company to Augment Bat- talion in Review.

The review for Governor Joseph M. Dixon by the R. O. T. C. corps of the University will be staged Thursday, May 10, at 4 o'clock at Dornblaser field.

The list of prominent men who have been invited to attend includes: State Adjutant General Guy E. Sheridan; Tom Busha, chief of the Veterans' bureau; Attorney General Wellington D. Rankin, and Major General C. G. Morton, commanding officer of the Ninth corps area, and second ranking officer in the United States army to General Pershing. It is expected all of these invitations will be accepted. Governor Dixon has already accepted the invitation extended to him.

The four companies of the R. O. T. C. battalion have been drilling since the opening of the spring quarter in preparation for the review. Major Roger Deeney, highest ranking student officer, will have direct command of the battalion. Major Smith and Captain Howard of the R. O. T. C. staff will remain with the reviewing party, which is to be stationed in front of the main bleachers of Dornblaser field.

A military company has been organized by the vocational men and ex-service men to participate in the review. Tom Spaulding, instructor in the forestry school, and a former captain of infantry in the World war, is commanding the company. The veterans stage their first drill Monday afternoon. They plan to drill three times a week until shortly before the review is held. Fifty-eight men have signed at this time. Major Smith says that the veterans are drilling in great style.

It is expected that a monster crowd will attend the review as it will be staged on the second day of the interscholastic track meet and arrangements are now being made for the accommodation of 500 students from Montana high schools.

Reading Room Floor Finished in Library

This week on the construction of the new library marks the finishing of the reading room floor, and the hanging of the electric fixtures. The passenger elevator at the rear of the building is still in process of installation, and will not be in running order for some time yet.

The floors in the reading room are of cork tile, 8 inches square, and laid on the concrete floor in a gum-like substance, which hardens rapidly. The great advantage of these floors is their noiselessness, which makes them ideal for a place of this kind. This floor is of a light tan color, with a dark brown border. The big electric fixtures in the reading room were hoisted into place this week, and workmen are now busy placing the smaller fixtures in the various classrooms.

The elevator is one of the Otis Automatic type, which is operated with push buttons by the passenger, and will be the first passenger elevator to be installed on the campus. Carpenters have been busy for the past month assembling the desks for the reading room. These desks will accommodate two students each, and are conveniently slanted from both sides to make reading and writing easier on their surfaces. They came from the mill knocked down, and are to be assembled by the general contractor.

Interfraternity Tennis Schedule Is Arranged

Inter-fraternity tennis will open May 5 at 10 o'clock, when Phi Delta Theta will meet Sigma Alpha at the Greenough courts and Phi Sigma Kappa will meet Sigma Alpha at the Phi Delta court, in Games 1 and 2 of the season.

Schedule.

Game 1—Saturday, May 5, 9 a. m., Greenough court, Phi Delta Theta vs. Sigma Alpha.

Game 2—Saturday, May 5, 9 a. m., Phi Delta court, Phi Sigma Kappa vs. Sigma Chi.

Game 3—Sunday, May 6, 10 a. m., Greenough court, Alpha Tau Omega vs. Alpha Delta Alpha.

Game 4—Sunday, May 6, 10 a. m., Phi Delta court, Sigma Nu vs. Sigma Phi Epsilon.

Game 5—Sunday, May 13, 10 a. m., Greenough court, winners of games 1 and 2.

Game 6—Sunday, May 13, 10 a. m., Phi Delta court, winners of games 3 and 4.

Game 7—Sunday, May 20, 4 p. m., Greenough court, winners of games 5 and 6.

This is the third annual interfraternity tennis tournament. The first tournament was won by Sigma Chi, who now hold the cup. Last year's contest was not completed.

MASQUERS TO PRESENT "ALICE-SIT-BY-THE-FIRE"

Will Give Play as Their Part of Interscholastic Track Meet Entertainment.

The Montana Masquers will present "Alice-Sit-by-the-Fire," a comedy by James M. Barrie, for their part of the program during track meet. This play was the first production of the Masquers under the direction of Roger Williams. It was taken to Stevensville, Hamilton, Deer Lodge and Anaconda last fall.

According to Mr. Williams, the play is being revived because many people did not get to see the Missoula performance. Practically the same cast will be used for "Alice-Sit-by-the-Fire." "The play is one of the most popular of J. M. Barrie's comedies," said Mr. Williams, "and it was given a welcome reception wherever we gave it."

The plan to produce "The Dover Road," a comedy by A. A. Milne, for track meet was dropped. However, a cast will be at work on that play very soon, working it into shape for the Masquers' state tour.

DEAN LEAPHART RECOVERS FROM INFLUENZA ATTACK

"Dean C. W. Leaphart of the Law school is steadily recovering from an attack of influenza and he hopes to be able to meet his classes again next Monday," stated Mr. Mathews, instructor in the Law school.

For the past three weeks Dean Leaphart has been ill, though he made an attempt, he was unable to meet his classes and it was feared for some time that they would have to be discontinued for the quarter.

ART DEPARTMENT RECEIVES SEVEN PLASTER FIGURES

Seven Capromi cast cast figures, all copies of well known statues, have been purchased by the art department. They arrived yesterday from Boston, and were in perfect condition.

According to Mrs. Bateman, head of the art department, "Jeanne de Arc", a well-known French piece, is the best of this new group.

MONTANA RELAY TEAM ALL SET; IN SEATTLE

Stewart Will Concentrate on Two Short Relays and 100-Yard Event.

Montana's Entries.

Half-mile relay—Andrus, Rutherford, Stowe, Egan.

Mile relay—Egan, Anderson, Rutherford, Closs.

100-yard event—Andrus.

Montana is entered in three events in the annual University of Washington relays at Seattle tomorrow afternoon. Coach Stewart did not take a pentathlon man, as he wanted to concentrate upon the two shorter relays and the special 100-yard event. This is Montana's fourth trip to the coast, and dope favors the Grizzlies to place again. In 1920 the varsity placed third and set a new world's record in the 440-yard relay; the Grizzlies placed fifth in 1921 and third last year, the University of Washington winning the meet and O. A. C. placing second.

Of the six men representing Montana, two attended last year's relay, Egan and Anderson. Rutherford was the flash of the freshman squad last year, and both Rutherford and Stowe are former Missoula High school point winners. Scotty Andrus is a former Miles City High school speed artist and was the class of the frosh squad last year. Andrus will enter the special 100-yard event. Closs was on last year's varsity squad, but an injury early in the season prevented him from doing his stuff for the varsity. This year Closs has been stepping off some fast quarters, doing this event in 52.3 the other night. Anderson is a fast 220-man and will run the quarter at the relays. Egan is Montana's fastest man in both the quarter and the 220. Last year he broke the state record in the quarter-mile event and the half-mile.

FROSH DEFEAT SOPHS IN ANNUAL TUG-OF-WAR

When Sophs Drop Rope, Frosh Throw Them in Slough.

The sophomore tug-of-war team went down to defeat Wednesday before the burly frosh aggregation. This is the second time since the origin of that tradition that the frosh have been victorious. The argument was held strictly on the square, a coin being flipped to determine sides. The frosh won the flip and chose the north side, which is several feet lower than the south.

It was evident soon after the pull started that the sophs were due for a swim. The frosh outweighed them 15 pounds to the man, and with the lower bank also favoring them, immediately started to take in rope. The idea of getting wet did not appeal to the sophomores and when they came to the water's edge they let go of the rope. A mob scene immediately started which resulted in the sophomore team being thrown into the slough.

NOTICE!

Meeting of Juniors in Main hall auditorium Monday morning at 11 o'clock to consider change of date and place for annual prom.

(Signed) PHILIP NEILL,
President.

Davis Will Speak at Tuesday Convocation

T. L. Davis of Butte, a specialist in mining law, will speak at convocation at the University next Tuesday morning. The subject of Mr. Davis' talk will be "Playing the Game."

Mr. Davis will be remembered as a teacher in the law school during the winter quarter. He is a prominent Butte lawyer and at present is employed as an expert on mining law in the suit of the Anaconda Copper Mining company vs. Davis-Daly.

"His talk will be different," predicted Lawton Beckwith this morning.

AROUSE SPIRIT FOR MEET AT SPECIAL CONVOCATION

Speakers Urge Student Support to Make Meet a Success Again This Year.

Arrangements for the entertainment of the visitors to the Interscholastic Track Meet were discussed at the special student convocation last Tuesday. Speakers emphasized the necessity for more pep if this track meet was to be made more successful than the Aggie Interscholastic Basketball Tournament held at the State College last winter. Perk Spencer was chairman of the meeting.

Dr. C. H. Clapp discussed the value of the interscholastic meet. He admitted that he was skeptical as to its usefulness, but declared that the success of last year's meet had made him a strong supporter of the interscholastic. He declared: "This is a service that we owe to the people of the state, that we furnish these boys and girls with the inspiration which will keep them in school until they finish their education." He warned the University students that these High school boys and girls were from Missouri; that they would not consider the University a good place to go just because they heard a lot of yells or songs. He declared that it was up to the University men and women to demonstrate what real benefit the University held for them.

Dean A. L. Stone of the School of Journalism made an impassioned plea for the support of the student body. He said that the real service of the student to the University consisted of his everyday work for the school and not special services. "You can make this meet the greatest track meet ever held in Montana or the Northwest, or the biggest frost," he declared. "If we are to have a real interscholastic this year it is your job to make it the best that ever was. I know of only one unfailing source of pep, and that is the unquestioning belief that 'this is my University.'"

William Cogswell called attention to two phases of the meet. He declared that it was a contest between the University and our "friendly enemies," the Aggies, because they paid as much attention to the 85-pound debater as to the 200-pound athlete. Solvay Anderson asked for the support of the student body in selling tickets for the meet.

At the close of the meeting, Kendall Dexter explained the work that the country clubs were to do. After this the graduates of the different High schools met under the names of their schools and elected chairmen. The groups then named the time for their second meeting, at which plans for the entertainment of their visitors will be completed.

The Grizzly band played a ballyhoo concert on the oval and in front of the gymnasium before the convocation.

DEENEY-WALLICK GO ENDS WITH KNOCKOUT

Madsen and Kelly Win Their Bouts in M Club Tournament.

The clean knockout of Harold (Kid) Wallick of Fort Missoula by Roger Deeney of Butte in the second round of their scheduled five-round boxing bout, ended the second M club tournament at the new gymnasium Wednesday evening. Wallick hit the mat as the result of a terrific right uppercut to the face, and had to be carried to his corner.

In the other five-round event, Lloyd Madsen, instructor in boxing at the University, received the judges' decision in four rounds, and Nick Garcia of Fort Missoula was considered best in one. Bill Kelly, star athlete of the Missoula County High school, took the decision easily from Bill O'Neill in a four-round contest. In the wrestling matches Marion Burke of Lewistown won from Midge Griffiths of Butte and Spud Oechsli, another Butte grappler, defeated Earl Duval. Neither man won a fall.

The Deeney-Wallick go was a give-and-take slugging contest from the first going to the knockout blow. Deeney had the advantage in speed, strength, and aggressiveness, but his opponent took his punishment and came back for more. The end was surprising in its suddenness. Several minutes elapsed before Wallick was able to go to his dressing room, supported on the shoulders of his seconds. Deeney weighed 150 and Wallick 145.

Garcia was no match for Madsen, who surpassed him in weight, and science. The bout was slow, and Madsen clearly held himself in. Garcia could not penetrate his opponent's guard. Matty knocked him down once for three counts and sent him staggering to the ropes several times. Garcia weighed in at 140, and Madsen at 153.

Bill Kelly gave a pretty exhibition of clever boxing. The 157-pound "fighting harps" mixed in true Irish fashion, but O'Neill was unable to land on his slippery, ducking, side-stepping adversary. Kelly connected almost at will, and O'Neill's face was badly battered.

The wrestlers offered few thrills. Marion Burke was able, as a result of his greater strength and weight, to stay on top of Griffiths, but the 120-pound midget was never in serious danger of being thrown. They wrestled for six minutes. Spud Oechsli, 160 pounds, was on the point of throwing Earl Duval, 150 pounds, three times, but each time the lighter man was able to wriggle his shoulders clear of the mat. This contest lasted ten minutes.

Stanley Dohrman knocked out Spike Doggett in a weird, one-round preliminary, although he had to stand on a chair in order to reach a vulnerable spot. Doggett appeared in the ring in bloomers, and Dohrman used gloves tied on the ends of sticks until they were ruled out by the referee.

Wallace Brennan of Missoula refereed the fistic events and the Duval-Oechsli wrestling bout. Fay Clark, assistant professor of forestry, was the third man in the Griffiths-Burke wrestle. Dr. W. E. Schreiber, director of physical education; J. W. Stewart, athletic coach, and Fay Clark were the judges of the tournament. Henry Turner kept the official time.

The University band and the Dix male chorus furnished music for the program.

H. H. Lansing, instructor in surveying in the Forestry school, left today for Mayo Brothers' hospital

Published semi-weekly by the Associated Students of the University of Montana.

Entered as second-class matter at Missoula, Montana, under act of Congress of March 3, 1879.

We have heard quite a discussion on school spirit in connection with certain school activities. We firmly believe that some of this criticism is well founded and that the same argument applies to the R. O. T. C.

The Military Department, despite the fact it is a regular part of this institution and in spite of the fact that it is regulated by the State government and United States government, is not considered in the right light, or at least given the support by the Faculty and Student body which it warrants.

We know our uniforms are not hand tailored. We admit we are asked to drill or report for classwork three hours a week for one hour credit. We are certain we are not all born soldiers and find our mistakes and our appearances make good material for the "column". This has been genial razz, we admit, but it typifies a too general feeling towards the R. O. T. C.

Despite these difficulties, we are trying, as a unit, to do something for the University of Montana. We have plans for a review to be given during the State Interscholastic meet, which if carried out in the right spirit, will make excellent publicity for the University. Also, a number of men are going to summer camp at American Lake, as soon as school is out, with the one big aim of putting Montana on the map. Why are they doing this? Not because they have the backing of the University, as a whole, but because they have the love of the institution at heart.

If Montana is going to compete with schools such as O. A. C. and W. S. C., where military honors are considered high honors, why can't the Military department have the good will, if nothing else, of the faculty and students of this institution?

LEST WE FORGET.

Yes, the war is over, but have we forgotten?

From the appearance of the veterans' company on Tuesday and Thursday evenings, we'd say no!

Why have we organized this company?

To prove that the old spirit is not dead, and to instill in the minds of the student body and faculty the proper respect that is due the uniform, to show Montana we are with her.

What is to be gained by this company?

To the ex-service men it will bring back memories of his days in camp, days in France, England, Siberia or the high seas.

To the Cadet Corps—competition, the spice of all games. Is the Cadet Battalion to be out-drilled by a company of Veterans? They will say, no! The Vets will say, yes! The result will be seen.

"SCOTTY" WILLIAMSON.

Help!

Will You Help Entertain Interscholastic Visitors?

How funny are you?

The committee for the interscholastic track meet wishes to know this because it is faced with the problem of furnishing entertainment for the visitors on Friday morning of the track meet, and an entertainment of five or six farce stunts is planned. Maurice Angland has been placed in charge of this feature of the doings, and wants suggestions from everyone on the campus.

Any individual or organization on the campus may compete for the prize

which will be offered. This will be either a cup or suitable trophy. One stunt which may be pulled is a farce track meet. The entertainment will last for about one and a half hours, and every organization on the campus will be officially invited to participate.

The Grist

"The mills of the gods grind slowly, but they grind exceedingly fine."

Galileo Sez:

Napoleon said, "An army travels on its stomach." Hence the R. O. T. C. issued no shoes this year.

Our Girl.

She thinks the officers are the ones who haven't learned to wrap their leggings.

Today's Puzzle.

(The tug-o-war.)

When is a good tradition not a good tradition?

When it's just fair.

This space reserved for the usual joke on the R. O. T. C.

Carnegie Tough Luck Medal Winner:
The cadet that got stuck in bayonet practice.

Sergeant, get the wound stripes!

Slow Music.

R. O. Tesey lies below—
He thought it wasn't loaded.
He used it for a chin-rest,
And his theory was exploded.

Royal Order of Kerosene Burners.

He's studying first aid, and stopped his roommate's nose-bleed by putting a tourniquet on his neck.

Wig-Wag.

The sergeant's death was a myst'ry,
It surely was a puzzle—
He said he was a dog of war
So they gave the man the muzzle.

Clinkers, or Sayings of Grate Men.

First Cadet: General Pershing had a great war record.
Second Cadet: Yes, I wonder if he got an "A" in the course.

Revolutionary.

And as he drilled he mopped his brow,
He said, "It's hot, by George—
It makes me envy Washington
In his camp at Valley Forge."

In a short time the lid will be off on the rifle range.

Headline: Miss Morgan Betrothed to Army Officer.

Another military engagement.

We admit the illustration at the left isn't quite what you would call a remarkable reproduction of Sergeant Truman. Yet if you'll study it carefully, you'll notice the two have much in common. The object of the horseman is quite evident. He ropes the lanky steer. But, literally, the Sergeant has him beaten at his own game. How? You'd be surprised! Listen. They say "Doc" Jesse can tell a "bird" of a story, but he's only a rumor as compared with Truman. Why? he could be fined for what he sometimes thinks, to say nothing of what he has to say! They're not mild—yet they do satisfy—and the Unit always comes back for more.

FORMER R.O.T.C. OFFICERS STATIONED ALL OVER U. S.

The R. O. T. C. unit here was established in January, 1919, with only 65 men enrolled, as compared with the 397 who were enrolled in the autumn quarter this year. Lieutenant-Colonel A. C. Gillem, Jr., was the first P. M. S. and T., with First Lieutenant C. W. Thomas as assistant. Sergeant Alexander Brown, D. E. M. L., reported for duty April 9, 1919 and continued until Nov. 6, 1922, when he was retired. At present he is in business in Los Angeles, Calif.

Lieutenant Thomas, who is out of the service now, and Colonel Gillem, now at the General Service School at Fort Leavenworth, were relieved in the summer of 1919 by Major A. C. Cron, who functioned until September, 1921, when he was ordered to the School of the Line at Fort Leavenworth.

Captain C. M. Walton, Infantry D. O. L., was the commander during the college year 1921-1922. He is at present the assistant professor of Military Science at the University of Georgia.

Major George L. Smith, Infantry D. O. L., and Captain Jack W. Howard, Infantry D. O. L., assumed duties as P. M. S. and T. and assistant, respectively, at the beginning of the present school year. Sergeants Truman and Kirkwood complete the staff of the unit at the present time.

At Ease!

Major Expresses Ideas With Few Words.

With a cheese sandwich in one hand and scratching his head with the other, Major George L. Smith, R. O. T. C., commander of the University unit, made the following statement: "Oh hell, I haven't anything to be interviewed about." This statement is typical of the Major.

The Major's ideas of the R. O. T. C. unit on the campus are expressed in the few but efficient words, as follows: "The R. O. T. C. unit of this campus is coming along pretty well, but there is room for improvement." Now for the Major himself.

From 1914 to 1921, Major Smith was stationed in the Philippines, in charge of native scouts. It was while there that he rose in the ranks from a second lieutenant to a major. In 1921 he went to Ford A. D. Russell in Wyoming, where he was stationed with the 53d Infantry. From there he came to Montana; Missoula, to be exact, and can almost always be found at his desk in the R. O. T. C. headquarters, even during lunch hour.

Miller Experiments With Honor System During Quiz

Prof. J. E. "Burly" Miller of the History department, in an examination Wednesday, introduced what he described as his idea of the honor system.

"I think," said Mr. Miller, "that the fact that the student must write a pledge of fairness at the end of an examination paper takes the honor out of the honor system." He told the class the experiment he wished to try out. He asked them merely to state at the end of their examination papers whether or not the honor system had worked in each case. Then he distributed blue books, wrote the questions on the board and left the room. The examination lasted one hour, and during the hour hardly a sound was heard beyond the necessary scratching of pencils or pens and the turning of pages.

As yet results have not been ascertained but Mr. Miller is confident that "it worked."

NOTICE.

"Mollusc" to be presented by the Women's club tomorrow at 3 o'clock in Convocation hall. Students will be permitted in the balcony.

THE LOW DOWN IS OUT.

No more serious problem has presented itself to Arthur Redding since he assumed the managership of the Associated Students' store.

It happened at an unknown hour Wednesday.

Rumor has it that the whole affair started as the result of an invitation to a Theta house. No certain evidence upon this phase of the situation could be obtained up to the hour of going to press.

"Truth will prevail," said Art, "even though justice is a fickle jade. No criminal goes unpunished, even

though he escape the clutches of the law. This occurrence should receive the careful consideration of every student."

"Wee' Maudlin maintains a discreet silence and refuses to grant an interview.

"Sid" Kent admits hearing footsteps pattering at an hour when all good footstep patters should be in bed.

"Hal" Seipp intimates that he entertains suspicions, but is waiting for the outcome of preliminary investigations before he will reveal their nature.

Just how the matter will be entered upon the books will be decided in a conference with Ritchey Newman, student auditor.

In the meantime criminal proceedings are being instituted against the unknown responsible for the situation. The store staff declare that no effort will be spared to apprehend the criminal.

Exigencies do not warrant adding to the store force at this time, but the entire staff has succumbed to the fluffy charms of the newcomers and resigned themselves to the inevitable.

Mother and children are doing well. No one blames Phoebe for not telling her secret.

And the twin kittens are cute.

TO DISTRIBUTE SENTINEL TO STUDENTS CLASS DAY

"The Sentinel is coming as well as can be expected and will be ready for distribution on Class day, which will be about June 10," said Editor Nat McKown yesterday.

According to Mr. McKown, the feature section, which is under the direction of Knowles Blair, will be unique because of its originality and total difference from other years. Because of space there will be three pannels of pictures on the Junior pages instead of two as last year. The Senior pages will have three pictures at the top and three at the bottom, with the activities of the individuals in the center. Fraternities will have no feature page as in the past, but will have a page with a picture of the house and the crest.

"The book will have over 300 pages and out of 1200 copies being printed only 100 are not sold, so it behooves anyone to order soon if they want out," said Business Manager Bill Aho.

VACATION WORK.

Last summer California college boys made over \$100.00 weekly working for us as salesmen. We want five men from Missoula this summer's vacation. Experience in selling not necessary because we have experienced salesmen train the new men in the new man's territory. We call on business and professional men. Our representative will shortly be in Missoula to interview applicants. If you want some good business experience and desire to make some money, let us hear from you immediately. W. Elliott Judge, 24 California street, San Francisco.—Adv.

Miss Juanita Shyrock of Craig Hall has been unable to attend classes for several days on account of a slight attack of appendicitis.

GRIZZLY BAND IS PRAISED FOR EXCELLENT SHOWING

"The Grizzly band is one of the best school bands that I have ever heard," declared Major George Smith, P. M. S. and T. of the University. "They have shown wonderful improvement in the past few months, and the R. O. T. C. instruments which were requisitioned last fall are on the way and are expected any day."

This requisition calls for 32 instruments. The band now owns 10 instruments, and if the same proportion of men own their own instruments in the past years, it will be possible to equip a band of 80 pieces for next year.

The band roster has 37 names, including the director and the drum major. Of these, 25 are taking band work as their first or second year R. O. T. C. course, and the rest are juniors or seniors who are giving their band service as a school activity. Five of the men are vocational students, and four more saw service in the World war. One man served in an Italian band during the war, another was a naval bandmaster. The band is using the full military band library of 35 numbers, besides two rather difficult overtures and several concert numbers.

With the close of the school year the band will have played at over 50 University gatherings, and has been asked to appear at outside functions. The men practice from three to five hours a week for these appearances.

They have received an official invitation to furnish music at the track meet next month from the committee for the interscholastic meet, and also view before Governor Dixon. They have been requested to play for the D. A. V. convention to be held in May. They will also appear at all track meets at home, and arrangements are being completed to have them appear at all home baseball games.

Perk Spencer, A. S. U. M. president says, "No other organization on the campus has done more to build up school spirit than the band. It deserves the support of every student on the campus for its work during the year. This band would do credit to any university."

Who?

Captain Howard Is Second in Command.

Captain Jack W. Howard!

Who?

Oh, you dumb-bell! Haven't you heard about Captain Howard? He's second in command of the R. O. T. C. unit at the University. Captain Howard was originally a major with the 85th Division overseas, but was transferred to the intelligence service. After the Armistice was signed, he attended St. John's College at Cambridge, England. Many of the American men who were college graduates were privileged to attend various European colleges to establish more amiable relations between the European countries and ours, and Captain Howard chose the college at Cambridge.

Returning to the United States, Captain Howard was put in charge of the junior unit of the R. O. T. C. in the Denver High schools in Colorado. From there, he was ordered to the unit at the University.

STUDENTS MAY USE FORT'S RIFLE RANGE IN PRACTICE

R. O. T. C. students may volunteer for rifle practice on the Fort Missoula range Saturdays from 9 to 12. Those who have automobiles are requested to bring them, as that will be the sole means of transportation. Sergeant M. Kirkwood will probably do most of the coaching.

This unit has 150,000 rounds of .30 caliber ammunition, and 12,000 rounds of tracer ammunition that is to be used on the range.

GRIZZLY BALL TOSSERS OPEN SEASON THURSDAY

With the first conference games less than a week off, the Grizzly ball tossers are working hard to get into tip-top shape. The Whitman "Missionaries" tangle with the Grizzlies here Thursday, Friday and Saturday, and it is essential that the Bears take the visitors into camp if they expect to show up well in the conference standing.

The big trouble with the team is in hitting. Not a man on the squad has started socking the apple with any degree of vigor. Coach Spencer realizes that it takes hits to win ball games, and has been putting the men through hours of hitting practice every week. Now that favorable weather has arrived, the candidates will, no doubt, begin clouting the ball on the seam.

With Gil Porter and Carl Bue showing promise, the pitching problem seems about solved. With these two men to relieve them of some of the burden, Johnson and Centerwall should set back the enemy with great regularity. Johnson and his curve ball look better every day, and Centerwall is developing a spitter that couldn't be hit with a shovel. With good support these two slab artists should turn in a flock of victories.

Coach Spencer will arrange for a practice game for Saturday, probably with Fort Missoula. The soldiers have fallen before the varsity twice this spring and will probably present some stiff competition if the two teams cross bats Saturday.

UNIVERSITY OBSERVES ARMY CUSTOM OF LOWERING FLAG

Flag Is Raised Every Morning and Taken Down With Ceremony.

The regulation U. S. army observance of retreat has been established on the campus, and is now a part of the daily R. O. T. C. routine. To the sound of "Retreat" blown by Sergeant-Bugler Bischoff of the R. O. T. C. band, the colors are lowered every evening at 5 o'clock by Sergeant Truman.

The flag is raised every morning without ceremony by Sergeant Truman, and after it is lowered at night, the bugler sounds "To the Colors". This call corresponds to "The Star Spangled Banner," and should be accorded the same respect by those in the vicinity when the ceremony is being conducted. Major Smith has stated that it is not necessary to salute and stand at attention while retreat is being sounded, but that proper respect should be accorded "To the Colors" by everyone on the campus. This army custom was started about the first of March. Before that time the flag was raised and lowered without ceremony, but from now on the ceremony will be observed.

Freshman-Sophomore Dance Held Tonight

Everything is in readiness for a successful Frosh-Soph dance, which is to be held at the Elite hall at nine o'clock tonight.

The dance will have a double purpose this year. First, it is a return event in honor of the Sophomores, and its second purpose will be to celebrate the first Freshman tug-o-war victory in the history of the University.

The Freshman tug-o-war team will be the guests of honor. All plans are complete, and a real go-get'em time is looked forward to.

ANY OLD CLOTHES?

The Y. W. C. A. has put a box in the women's rest room for clothing to be given to needy students. Notices have been put up in the various sorority houses and Craig hall.

It is hoped that the box will soon be full. A number of students who are struggling through school have been found, and the Y. W. C. A. is taking this method of helping them out.

Play Ball!

Co-eds Answer Call of Spring.

The co-ed baseball season is on with the shrieks of contestants and the snapping of elastic. Male spectators lool on the comfortable grass of the oval and cheer on their favorites with cutting remarks and admiring glances. Excitement runs high every night in front of main hall, and above it all stands Dean Jesse, the Judge Landis of the co-ed leagues, dealing out strikes and balls with an eye practiced by long years of scanning the grade curve.

Monday the Theta aggregation took the opening game from the Delta Gamma nine by a score of 137 to 56. Tuesday evening at an exciting double header, Omega Xi humbled the Kappas to the tune of 137 to 56, and at the same time, the confident Craig Hall nine went down to defeat at the hands of the Alpha Phis. The score of this game was 137 to 56. If anything, the Alpha Phi victory was a little noisier than the triumph of the Omega Xi flashes, but it must be taken into account that Dr. Jesse umpired the Craig Hall smash, and half of the footing was directed at his decisions by the caustic onlookers. The feature of this game was a beautiful nose-dive by Stella Skulason, the Craig Hall broad-jumper, in a close play at third. Sol Anderson served up the pellet for the winners in big-league style. The heavy hitting Omega Xi team proved the undoing of the Kappa squad, and tramped on the home plate for the 137th counter just as the campus lights went on.

Wednesday evening the Alpha Phis took their second victory of the season from the Phi Beta team by a close margin. The score stood 137 to 56 when Mrs. Umpire stopped the game and took the Doctor home to dinner. This game was a pretty pitcher's duel between Sol Anderson and Katherine Small, but weak support caused Katherine to let down in the sixth and let in the winning runs. Sol's reverse English kept the Phi Beta batters guessing, and although Pitcher Small had the general direction of the home plate well in mind, she was unable to lower her sights soon enough to prevent walking enough Alpha Phis to put the game on ice.

Officials For Meet Named by Schreiber

Dr. W. E. Scheiber has announced the following list of officials for 20th annual track meet at the University of Montana:

Referee (probable), Governor Jos. M. Dixon; starter, George Varnall; assistant starter, James Brown; clerk of course, D. D. Richards; assistant clerks, Whistler, Dexter, Badgley; weight judges, E. Mulroney, A. Lucy, T. MacGowan, E. Holmes, F. Clark; jump judges, H. Forbis, J. Sterling, A. Drew, M. McCullough, Dr. Nelson, Prof. Matthews; finish judges, Prof. Whitlock, Campbell, Weisel, Stewart, Adams, Varner, Teevan; timers, Coffee, Higgins, Sterling, Bell, Willard; scorer, Swearingen; assistants, Denney, Morris, McDowell; checking clerk, Daughters; chief inspector, Schrieber; assistants, Closs, Egan, Anderson, Duffy, Blackburn; equipment, Griffith; announcer, Keeley; assistant, Wilkinson; marshals, Major Smith and members of R. O. T. C., Chief Moore; track attendants, L. Madsen in charge, Coleman, Elliott, Johnson, Silvernale, Maudlin, Ramsey, Murphy, R.; field attendants, J. Shaffer in charge, Plummer, Christie, Illman, Axtell.

MAJOR SMITH AND CAPTAIN HOWARD TO ADDRESS D. A. V.

Major Smith and Catpain Howard of the University R. O. T. C., will talk to the Disabled Veterans of the World War at the Masonic hall, tonight at 8 o'clock.

The subjects discussed will be the new company of infantry which has been formed among ex-service men at the University, and the relation of University disabled and ex-service men to the R. O. T. C.

Commanding Officers of the Montana R. O. T. C.

TWENTY-FOUR SIGN FOR R. O. T. C. SUMMER CAMP

Twenty-four men have signed up for the Advanced and Basic R. O. T. C. camp to be held at Camp Lewis, Washington, from June 14 to July 26, 1923. Special examinations will be given to the men going, that they may be able to get in camp by June 14.

Those that have signed up for the advanced course are: Paul Anderson, Roger Deeney, Robert Graham, Custer Kelm, Robert Kirkwood, William Coke, Alex Peterson, Jr., Lawrence Quinn, Gerald Reed, Francis Reynolds, George Whitcomb, Clark Fergus, Robert Heller, LeBrun Beckwith, Milo Rutherford, Howard Howitson, Einar Strommes and Emery Gibson. The above men will be paid 70 cents a day, besides their travel pay of five cents a mile to and from camp.

Only four men have signed up for the basic course. Vern Haegg, Ross Harrison, Gustave Peterson and Herman Stark are the freshmen that intend to sample camp life for six weeks.

"If possible," said Major Smith, "the men will be allowed to take their uniforms to camp and when at liberty they will be allowed to put on their dress uniforms." Bill Hughes is working on a design for the shoulder patch, which will be a maroon grizzly bear to be worn on the left shoulder for the purpose of boosting Montana. To make a more impressive appearance the men are requested to meet in Tacoma and go out to Camp Lewis together in charge of Cadet Major Roger Deeney.

Nine universities of the Pacific Northwest will be represented at camp. Colonel E. R. Chrisman, University of Idaho, will be camp commander. Captain J. E. Howard, University of Montana, will be finance officer, and First Lieutenant G. A. Jahant, Montana State College, will have charge of the supply department.

About three miles from camp is American Lake, a great summer resort for the people around Tacoma, Seattle and Olympia. Every week there is a dance in the big gymnasium, with girls from Tacoma, chaperoned by society women of that city, together with parents and high officers of the post. Music is usually furnished by a 30-piece band.

Applications will be received for another month, according to Sergeant Truman.

W. S. G. A. DISCUSSES PLANS FOR ANNUAL FETE

May 25 is the final date set for the fete, according to Frances McKinnon, chairman of the committee in charge. Plans for the annual May fete were discussed at a W. S. G. A. meeting Tuesday night, and Sara Reynolds was appointed in charge of the lantern parade.

The May fete will be held at twilight on Dornblaser field, and will be featured by dances now being practiced in the women's gym classes. Miss Rhoda Baxter, women's physical director, has announced that practice is going well, and that practically all of the dances have been given to the various groups.

The fete has been dated later this year in order to give the girls plenty of time for practice, and in order to insure good weather for the event. No other plans will be made until at least three weeks before the fete.

W.S.G.A. CANDIDATES FILE PETITIONS FOR OFFICES

Petitions have been filed by eleven candidates for the W. S. G. A. offices for next year. The election will be held Monday, May 30.

Solvay Anderson and Helen Newman are candidates for president; Elizabeth Eggleston, Margaret Keiley,

Helen McGregor, and Doris Kennedy for vice-president; Ruth Bryson for secretary, and Eloise Baird, for treasurer.

SIGMA CHI AND S. P. E. TO CLASH TOMORROW

Sigma Phi Epsilon and Sigma Chi will play for the inter-fraternity baseball championship tomorrow afternoon at 2 o'clock, on the University diamond.

In the semi-finals Sigma Chi defeated Phi Delta Theta, 14 to 3, in a five-inning contest. Sigma Phi Epsilon won from Sigma Nu, 9 to 8, in eight innings.

M'GOWAN COMPETES IN PENN TRACK MEET

Tom MacGowan will represent the University of Montana as a specially invited contestant in the 26th annual Penn Relay Carnival, to be held this week at Philadelphia, by the University of Pennsylvania.

MacGowan is ineligible in the Northwest conference because of his participating in three years of intercollegiate athletics. However, he is eligible to compete in this carnival as he did in last year's meet held by the Intercollegiate Athletic Association at Chicago, where he won second place in the discus throwing events.

Athletes entering from England and France make the Penn Carnival an international event. This is the largest track meet in the world. Approximately 2,000 athletes actually participate, representing colleges, universities, prep, high and grammar schools.

In addition to these events special invitations are sent to exceptional athletes to participate at the carnival. It was in this manner that MacGowan was invited to take part in the discus and weight-throwing contests to be held Saturday.

MacGowan left for Philadelphia last Sunday and will return next week.

DeMolay Initiates Five Men Into Sentinel Chapter

Walton Whitworth, Joslin Haegg, Ralph Jones, John Hansen and Reinold terKhele were initiated into Sentinel chapter, Order of DeMolay, at a special meeting held in the Masonic Temple last Tuesday night.

The initiation ceremonies were watched by many Masons, and they were loud in their praise of the way things were progressing.

Dr. Graff of the University is chairman of the committee from Missoula Lodge No. 13, A. F. & A. M., that is sponsoring the University chapter, which is separate from the town order of DeMolay.

Meetings are held the first and third Thursdays of every month in the school year; officers are elected every quarter. At every meeting of the chapter there are Masons present to see how things are progressing.

At the next meeting, May 3rd, there will be an election of officers for the spring quarter, and all members are urged to be present. Membership cards for 1923 will be given out to those that pay their dues.

OLD TEXT BOOKS WILL BE BOUGHT BY STORE SATURDAY

Students who have old school or college textbooks of any kind, that are in good condition, may sell them at the A. S. U. M. store Saturday. The books are not being purchased by the campus store, but by the College Book company of Lincoln, Nebraska, whose representative, Mr. J. C. Campbell, will be at the store. No fiction, outside of that used for school books, is wanted. Just what the price paid for books will be is not known, but Mr. Redding stated that it will be fair, as the books must be shipped back to the firm and sold at points where they are in demand at less than their original cost.

GRIZZLY TRACK MEN PREPARE FOR AGGIES

Quiet prevails over the Grizzly camp while the relay team is in Seattle. The varsity track squad, under the direction of Freshman Coach Adams, is going through some stiff workouts in preparation for the Aggie meet next week.

Of the 24 men out for varsity, 18 may be taken to the annual dual meet between the University and the State college. Tryouts for places on the team will take place next Tuesday and Wednesday under the supervision of Varsity Coach Stewart. The events the men will try out for and the possible candidates are as follows:

100-yard dash—Andrus, Stowe, Rutherford.

220-yard dash—Andrus, Stowe, Rutherford.

440-yard dash—Egan, Closs, Anderson.

880-yard run—Egan, Closs, Mathews, Boehm.

Mile run—Boehm, Duffy, Mathews, McAlear.

Two-mile run—Blackburn.

High hurdles—Johnson, Plummer.

Low hurdles—Rule, White, Closs.

High jump—Rule, White, Shaffer, Johnson.

Broad jump—Shaffer and Badgley; (others undecided).

Pole vault—Shaffer, Porter, Johnson.

Shot-put—Axtell, Shaffer.

Discus—Axtell, Shaffer, Maudlin.

Javelin—Madson, Plummer.

Mile relay—Egan, Closs, Anderson, Rutherford, Newlon, Rottler, Mathews, Badgley, Brennen.

UNIVERSITY STUDENTS MAKE GOOD SHOWING

Results have been announced for the state pharmacy examinations which were held here April 11 and 12. Students from the State University made a good showing in the examination, and practically all of those who will graduate from the School of Pharmacy this year will receive their certificates as registered pharmacists. Ten applicants took the examination from other schools and towns, and did not make as good an average as the University students.

Those who will receive their pharmacists' certificates are Chester Dickson, Thomas Daugherty, Ruth Thrannum, Hazel Vaughn, Jake Harschfeldt, Forest Flora, Hjalmar Skei, Oakley Coffee, William Driscoll, Edson Andrus, Letha Williams, Frank Stoddard, Guy Stegner, Mrs. Daniels, Joe Guthro, Francis Gallagher, and Elizabeth Miner.

NOVICE MEET TO BE HELD MONDAY IF GOOD WEATHER

The novice track meet will be staged Monday afternoon at 3:30 if the weather is good, according to Coach J. W. Stewart.

All students who have not taken part in any University meet will be allowed to enter and all freshmen will be required to participate in order to secure credit for their physical education work, according to the coach.

The meet was originally scheduled for last Friday, but was postponed due to cold and rainy weather. Coach Stewart says that it cannot be held this week, as he is very busy with the relay team which will participate in the track meet at Seattle Saturday. He expects to return Sunday evening with the relay team.
